¹ Valued at end-of-period exchange rate.

² Import cover refers to the number of months of imports that can be financed by gross official foreign exchange reserves, using total imports of goods and services, including and excluding the imports of GBC services. The calculation uses the import data from the relevant calendar year, except for 2026, which relies on figures from 2025.

³ Revised ⁴ Provisional.

Figures may not add up to total due to rounding.
