INVITATION TO BID INSTANT PAYMENT THROUGH API

1. The BANK OF MAURITIUS (BOM) invites sealed bids from eligible candidates for the supply, installation, implementation, customisation, interfacing, training and support services for an Instant Payment Service through API.
2. The project work shall include:
 - Supply and installation of the core and support software to carry out the functions of an Instant Payment Service through API as described in the Request for Proposal (RFP).
 - Operational, performance and security testing.
 - Full documentation including but not limited to operational, administration and backup procedures.
 - Training for BOM personnel and system participants.
3. A copy of the RFP may be downloaded from the Bank of Mauritius website, <https://www.bom.mu>. Prospective bidders must submit valid contact details at the time of download for notification purposes.
4. Responses must be prepared and submitted as prescribed in the RFP and addressed to the **Chairperson of the Tender Committee** of the Bank of Mauritius. Bids must be deposited in the Tender Box, or sent by courier services at the address below no later than **Monday 23 April 2018 at 14h00** local time. Bids received after this date will NOT be entertained. Electronic bidding **will** be permitted as per procedures described in the RFP.

The Chairperson Tender Committee — Instant Payment through API
Bank of Mauritius
Sir William Newton Street
Port Louis
Mauritius

5. The BOM reserves the right to accept or reject any or all offers submitted in response to this advertisement without assigning any reason whatsoever.
