

2011 Coordinated Portfolio Investment Survey Results for Mauritius

The Coordinated Portfolio Investment Survey (CPIS), jointly conducted by the Bank of Mauritius and Financial Services Commission at the national level, is an initiative of the International Monetary Fund (IMF) and is undertaken on an annual basis.

Information is collected on investment by Mauritian residents, including for this purpose, banks, global business companies, insurance companies, mutual funds, pension funds and investments companies, in securities issued by unrelated nonresidents.

The table below outlines the stock of equity and debt securities held over the period 2007-2011, as at end December.
