

PRESS RELEASE

Final Estimates for External Sector Statistics: Calendar Year 2017

28 June 2019

The Bank of Mauritius is releasing its final estimates for calendar year 2017 for the following data categories¹ falling under external sector statistics :

- (i) balance of payments (BOP);
- (ii) international investment position (IIP);
- (iii) coordinated direct investment survey (CDIS);
- (iv) private sector gross external debt statistics produced by the Bank; and
- (v) gross direct investment flows.

The revised data can be accessed at :

[Revision of External Sector Statistics: Calendar Year 2017 \(final estimates\)](#)

[Revised Gross Direct Investment Flows \(excluding Global Business sector\): Calendar Year 2017](#)

¹ The dataset for the Coordinated Portfolio Investment Survey (CPIIS) has remained unchanged.
