

Addendum/Clarifications

Supply and commissioning of one hundred (100) units of Laptops

We refer to the RFP for “*Supply and commissioning of one hundred (100) units of Laptops*”, launched on 9th September 2025.

Following queries raised from potential bidders, the responses of the Bank are as follows:

SN	Query from Bidders	Response
1	<p><i>“Bidders are requested to quote for a lot of AC to DC power adaptors (as spare) for the model of the laptops being proposed.”</i></p> <p>Kindly confirm the required quantity of spare AC to DC power adaptors to be quoted, so that we may prepare our bid in full compliance with the specifications.</p>	Bidders have to quote for 10 units of spare AC to DC power adaptors.
2	<p>Could you please specify the exact processor requirement within the Intel 14th Generation i7 series, as there are multiple versions available?</p> <p>How many cores are required – 8, 16, or 20?</p> <p>What is the maximum frequency required to comply with the tender specifications?</p>	The minimum requirement of the processor is Intel i7 14 th Generation.
