

## PUBLIC NOTICE

### UPGRADED POLYMER BANKNOTES WITH NEW SECURITY FEATURE FOR RS25 AND RS50 DENOMINATIONS

*28 October 2021*

The Bank of Mauritius announces the issue of upgraded polymer banknotes of Rs25 and Rs50 denominations with the incorporation of a new security feature, the “**Gemini™**”, which is a dual fluorescent feature visible under UV light.

The upgraded banknotes with the new security feature will be issued as from Friday 29 October and will be legal tender concurrently with the existing current family of banknotes.
