¹ Data on direct investment flows for 2011 to 2013 have been supplemented with results obtained from the Foreign Assets and Liabilities Survey (FALS). Besides equity, these data therefore also include reinvested earnings and shareholders' loans.

² Preliminary. Data as from 2014 would be revised in the wake of results from future FALS and are therefore not strictly comparable with prior years' data.

Figures may not add up to totals due to rounding.
